

YTS

YET ANOTHER PAINTING SOLUTION

Baoding Yingtesheng Bristle and Brush Making Co., Ltd. (YTS) is a leading paint brush manufacturer based in Baoding, Hebei, China. Established in 1990 as a family workshop specializing in boiling Chungking bristle, YTS has grown into a modern enterprise with a strong reputation for quality and reliability. Today, the company produces and distributes high-quality paint brushes and synthetic filaments to over 20 countries worldwide.

Facilities:

YTS operates from a sprawling facility covering more than 30,000 square meters, which includes:

- 2 office buildings (1,400 m²)

- 2 production workshops (3,600 m²)

- 2 warehouses (3,900 m²)

The company employs over 200 skilled workers and has a production capacity of 2 million paint brushes and 70 tons of synthetic filament per month.

Commitment to Quality:

For over three decades, YTS has adhered to the principle of "Quality above all." This commitment to excellence is deeply ingrained in the company's culture and is reflected in every product it manufactures. YTS's high-quality brushes have earned the trust and satisfaction of customers around the globe.
